**Bulletin #1
 LONG-SERVICE AWARDS**

Over the years, the UBCM has presented Certificates of Appreciation to a select list of local government elected officials who have served on a Council or Board for a total period of 25 years or more.

It would be appreciated if Municipal and Regional District Corporate Administrators would advise us of the names of any persons who they feel would qualify for this award. Replies to us should contain:

- the full names of the individual,
- the dates during which he or she served as a member of Council or Regional Board,
- the position(s) held during the dates given.

The following pre-requisites should be adhered to:

1. The recipient must have served, as an elected member, on a BC Municipal Council or Regional District Board for a total of 25 years or more. Service can be in broken periods and on different Councils or Regional District Boards, but the time so involved must add up to at least 25 years of service.
2. The recipient can have served as Mayor, Reeve, Alderman, Councillor, Electoral Area Director, Village Chairman, or Village Commissioner, but service on other municipal bodies or boards, etc., such as School Trustee, Hospital Board members, Library Board, etc. cannot be considered in computing the total length of elected service.
3. The recipient can be presently in elected office or might now be retired from the field.

DEADLINE: AUGUST 31, 2009
