Engineering - Geomatics - Planning

Focus Corporation is a multi-disciplinary consulting firm providing a range of planning, engineering, geomatics and project management services to clients in the local government, land development, environmental, infrastructure, energy and resource sectors. We have partnered with our clients around the globe, taking projects from the conceptual and feasibility stages to completion and beyond.

Since our inception in 1977, Focus has grown in terms of services provided and range of expertise. Today, we are recognized as one of the industry's leading firms, providing our clients with the following services:

- Community Infrastructure Engineering
- Planning Services
- Land Development Consulting
- Construction Management Services
- Geomatics
- Transportation Engineering
- Environmental Services
- Geographic Information Systems
- Graphic Design & Layout
- First Nations Consulting
- Water Resources & Stormwater Management
